Effective 11/4/2026

Version 2

Privacy Policy — REACT Studios Corp.

Effective Date: April 11, 2026Last Updated: April 11, 2026

IMPORTANT — PLEASE READ THIS PRIVACY POLICY CAREFULLY. This Privacy Policy ("Policy") describes how REACT Studios Corp. ("Company," "We," "Us," or "Our") collects, uses, stores, shares, and protects Your information when You access or use any of Our websites, games, applications, platforms, and related services (collectively, the "Service"). This Policy applies to all users of the Service, regardless of location.

BY ACCESSING OR USING THE SERVICE, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREE TO BE BOUND BY THIS PRIVACY POLICY. IF YOU DO NOT AGREE, YOU MUST IMMEDIATELY CEASE ALL USE OF THE SERVICE.

This Policy is incorporated into and forms part of Our Terms and Conditions. Capitalized terms not defined herein have the meanings set forth in the Terms and Conditions.

1. Scope and Applicability

This Policy applies to all information collected through the Service, including information collected via websites, games, mobile applications, desktop applications, APIs, customer support channels, social media interactions, emails, and any other means through which You interact with Us. This Policy does not apply to information collected by third parties, including any third-party websites, services, or applications that may be linked to or integrated with the Service.

2. Information We Collect

We collect information in the following categories:

2.1 Information You Provide Directly

Account and Identity Information: Full name, email address, phone number, mailing address, date of birth, username, password, profile picture, and any other information You provide during Account registration or profile creation.

Third-Party Account Credentials: If You link Your Account with third-party platforms (including but not limited to Google, Roblox, Discord, Steam, Apple, or any other social media or gaming platform), We may receive Your user ID, display name, email address, profile picture, friends list, and other information made available by those platforms based on Your privacy settings.

Financial and Transaction Information: Billing address, transaction history, purchase amounts, invoice details, subscription status, payment method type, and partial payment identifiers (e.g., last four digits of a card). We do not store full credit card numbers, CVV codes, or bank account numbers; these are processed exclusively by PCI DSS-compliant payment processors (such as Stripe, Tebex, PayPal, or other authorized processors).

Communications: Any messages, emails, support tickets, feedback, survey responses, forum posts, chat messages, or other communications You send to Us or transmit through the Service.

Verification Information: Government-issued identification, proof of age, proof of parental consent, or other documentation You provide in connection with identity verification, age verification, chargeback disputes, or legal compliance requirements.

2.2 Information Collected Automatically

When You access or use the Service, We automatically collect the following information:

Technical and Device Information: IP address (IPv4 and IPv6), browser type and version, operating system, device type, device unique identifiers (including UDID, IDFA, GAID, MAC address, and hardware serial numbers), screen resolution, language settings, time zone, hardware specifications (CPU, GPU, RAM), network connection type, and ISP information.

Usage and Gameplay Data: Pages visited, features used, clickstream data, session duration, frequency of use, in-game progression, achievements, virtual items acquired and used, in-game purchases, gameplay statistics, performance metrics, match history, leaderboard rankings, and in-game behavioral patterns.

Log and Diagnostic Data: Crash reports, error logs, performance data, latency measurements, server connection times, login/logout timestamps, API call logs, and diagnostic information used to identify and resolve technical issues.

Moderation and Safety Data: In-game chat transcripts, voice chat metadata (not voice recordings unless separately disclosed), behavioral flags, reports submitted by or against You, moderation actions taken, and community guideline compliance data.

Location Data: Approximate geographic location derived from Your IP address, and where applicable, GPS data, Wi-Fi access point data, or cell tower data if You grant device-level location permissions. We use location data for geo-detection in connection with purchase waiver processes, content restrictions, regulatory compliance, and fraud prevention.

2.3 Information from Third Parties

We may receive information about You from third-party sources, including:

Payment Processors: Transaction confirmations, dispute and chargeback notifications, fraud risk assessments, and payment verification data.

Analytics Providers: Aggregated and individual usage statistics, advertising attribution data, and audience insights.

Anti-Fraud and Security Services: Risk scores, fraud indicators, identity verification results, device fingerprints, and behavioral analytics from trusted fraud prevention, identity verification, compliance screening, risk analytics, and security service providers.

Public Sources: Publicly available information from social media profiles, public databases, and other open sources, to the extent permitted by applicable law.

2.4 Cookies and Tracking Technologies

We use cookies, web beacons, pixel tags, local storage, SDKs, and similar tracking technologies to collect information, personalize Your experience, analyze usage, and deliver targeted content. You may manage Your cookie preferences through Your browser settings or through any cookie consent mechanism provided on Our websites. Disabling certain cookies may impact the functionality of the Service.

3. How We Use Your Information

We use the information We collect for the following purposes:

3.1 Service Delivery and Contract Performance

Providing, operating, maintaining, and improving the Service; creating and managing Your Account; processing transactions and Digital Purchases; delivering virtual items and in-game content; providing customer support and responding to inquiries; personalizing Your experience and content; facilitating multiplayer features and social interactions.

3.2 Security, Fraud Prevention, and Enforcement

Detecting, investigating, and preventing fraud, unauthorized transactions, chargebacks, and "friendly fraud"; identifying and preventing cheating, hacking, exploits, botting, and other unauthorized activity; enforcing Our Terms and Conditions and Community Guidelines; monitoring for abuse, harassment, hate speech, and other prohibited conduct; maintaining the integrity, security, and fair play of the Service.

3.3 Legal and Regulatory Compliance

Complying with applicable laws, regulations, legal processes, and governmental requests; responding to subpoenas, court orders, warrants, and other lawful process; exercising, establishing, or defending legal claims; fulfilling tax reporting and record-keeping obligations; conducting KYC (Know Your Customer) and AML (Anti-Money Laundering) checks where required.

3.4 Communications

Sending transactional emails and notifications (purchase confirmations, Account alerts, security notifications); sending service-related announcements (updates, maintenance, policy changes); sending promotional communications and marketing materials where You have opted in or where permitted by applicable law. You may opt out of promotional communications at any time, but You cannot opt out of transactional or service-related communications.

3.5 Analytics and Improvement

Analyzing usage patterns, gameplay data, and performance metrics to improve the Service; conducting internal research, testing, and development; generating aggregated and anonymized statistical data; optimizing game performance, server infrastructure, and user experience.

3.6 Automated Decision-Making

We may use automated systems, algorithms, and machine learning models to detect high-risk transactions, identify fraudulent or abusive behavior, enforce community standards, and make moderation decisions (including automated bans or restrictions). You have the right to request a human review of any significant automated decision that adversely affects Your Account by contacting support@reactstudios.com. We will respond to such requests within a reasonable timeframe, but the filing of a review request does not suspend or reverse any automated action pending completion of the review.

4. Legal Basis for Processing (EU/UK/EEA Users)

If You are located in the European Union, United Kingdom, or European Economic Area, We process Your personal data under the following legal bases:

Contractual Necessity (Article 6(1)(b) GDPR): Processing necessary for the performance of Our contract with You, including providing the Service, managing Your Account, and processing transactions.

Legitimate Interests (Article 6(1)(f) GDPR): Processing necessary for Our legitimate interests, including fraud prevention, security, chargeback defense, enforcement of Our Terms, analytics and service improvement, and direct marketing (where permitted). Our legitimate interests do not override Your fundamental rights and freedoms.

Legal Obligation (Article 6(1)(c) GDPR): Processing necessary to comply with legal obligations, including tax reporting, regulatory compliance, and responding to lawful government requests.

Consent (Article 6(1)(a) GDPR): Where We rely on Your consent (such as for certain marketing communications or non-essential cookies), You have the right to withdraw consent at any time without affecting the lawfulness of processing performed prior to withdrawal.

5. Data Retention

We retain Your information for as long as necessary to fulfill the purposes described in this Policy, subject to the following guidelines:

Account Data: For the active lifetime of Your Account plus twenty-four (24) months following Account closure or termination, unless a longer retention period is required by law or necessary for legitimate business purposes.

Transaction and Financial Records: Up to ten (10) years, as required by applicable tax, accounting, and financial reporting laws.

Moderation and Safety Records: Chat logs, behavioral data, and moderation actions may be retained for up to five (5) years to support ongoing safety enforcement, dispute resolution, and legal compliance.

Ban Persistence Data: If Your Account is terminated for a material breach of the Terms and Conditions (including but not limited to fraud, cheating, harassment, or chargeback abuse), We reserve the right to retain certain hashed identifiers (including but not limited to IP address hashes, email address hashes, device fingerprints, and hardware identifiers) **indefinitely** for the sole purpose of preventing re-registration, protecting the community, and enforcing Our Terms. This data is stored in a hashed, non-reversible format and is not used for any other purpose.

Legal Hold: We may retain any data for longer periods if necessary to comply with legal obligations, resolve disputes, enforce agreements, or as required by any legal hold or preservation obligation.

Anonymized Data: Fully anonymized and aggregated data that can no longer be used to identify You may be retained and used indefinitely for analytics, research, and business purposes.

6. Disclosure and Sharing of Information

We do not sell Your personal information. We may share Your information in the following circumstances:

6.1 Service Providers and Processors

We share information with trusted third-party service providers who perform services on Our behalf, including but not limited to: payment processing (Stripe, Tebex, PayPal), cloud hosting and infrastructure, analytics (Google Analytics, Firebase), customer support platforms, email delivery services, fraud prevention and identity verification services, compliance screening and risk analytics providers, content delivery networks, and security service providers.

These providers are contractually bound to use Your information only for the purposes of performing services on Our behalf, are prohibited from using or disclosing it for their own purposes, and are required to maintain appropriate security measures.

Categories of information shared with service providers may include: identifiers (name, email, phone, address, username), Account data (account IDs, linked third-party IDs), financial and transaction data (billing details, transaction metadata, invoice records), technical data (IP address, device identifiers, browser type, hardware specifications, connection data), and usage, gameplay, and moderation data (activity logs, chat transcripts, behavioral indicators).

6.2 Chargeback and Dispute Defense

In the event of a chargeback, payment dispute, or fraud investigation, We may disclose to payment processors, banks, card networks, arbitration bodies, and relevant authorities: Your transaction records, timestamps of purchase and consent (including any EU/UK withdrawal waiver confirmations), login and activity logs, IP addresses, device information, proof of delivery and access, usage data, these Terms and Conditions, and any other relevant evidence necessary to contest the dispute. You expressly authorize this disclosure by agreeing to these Terms and the Terms and Conditions.

6.3 Legal Requirements and Safety

We may disclose Your information to law enforcement agencies, regulatory authorities, governmental entities, courts, or other third parties when We believe in good faith that disclosure is necessary to:

- (a) Comply with a valid subpoena, court order, warrant, regulatory inquiry, or other lawful legal process;
- (b) Investigate, report, or prevent suspected illegal activity, fraud, financial crimes, threats, harassment, abuse, or violations of Our Terms;
- (c) Protect the rights, property, safety, or security of REACT Studios Corp., its employees, contractors, users, or the public;
- (d) Enforce Our Terms and Conditions, this Privacy Policy, or any other agreements;
- (e) Respond to an emergency involving danger of death or serious physical injury.

This may include providing identifiers, transaction records, IP address logs, device data, chat transcripts, moderation records, and any other information relevant to the investigation or legal proceeding.

6.4 Business Transfers

In the event of a merger, acquisition, reorganization, restructuring, financing, due diligence process, bankruptcy, receivership, dissolution, or sale of all or a portion of Our assets, Your information may be transferred, assigned, or disclosed as part of the transaction. We will use reasonable efforts to ensure that the receiving entity is bound by privacy obligations substantially similar to those set forth in this Policy.

6.5 With Your Consent

We may share Your information with third parties when You have given Us explicit consent to do so.

6.6 Aggregated and De-identified Data

We may share aggregated, anonymized, or de-identified data that cannot reasonably be used to identify You with any third party for any purpose, including analytics, research, marketing, and business development. Such data is not considered personal information under this Policy.

7. International Data Transfers

REACT Studios Corp. is based in the United States. If You access the Service from outside the United States, You acknowledge and consent to the transfer, storage, and processing of Your personal information in the United States and other countries where Our service providers operate, which may have data protection laws that differ from those in Your jurisdiction.

EU/UK/EEA Users: Where We transfer personal data outside the European Economic Area or the United Kingdom, We rely on appropriate safeguards, including Standard Contractual Clauses (SCCs) adopted by the European Commission, adequacy decisions, or other legally recognized transfer mechanisms under applicable data protection law. You may request a copy of the applicable safeguards by contacting Us at legal@reactstudios.com.

8. Your Privacy Rights

8.1 California Residents (CCPA/CPRA)

If You are a California resident, You have the following rights under the California Consumer Privacy Act (as amended by the California Privacy Rights Act):

Right to Know/Access: You may request that We disclose the categories and specific pieces of personal information We have collected about You, the categories of sources, the business or commercial purposes for collection, and the categories of third parties with whom We have shared Your information.

Right to Delete: You may request the deletion of Your personal information, subject to certain exceptions (including data retained for fraud prevention, legal compliance, chargeback defense, ban enforcement, contract performance, and exercise of legal claims).

Right to Correct: You may request correction of inaccurate personal information.

Right to Opt-Out of Sale/Sharing: We do not sell Your personal information. You may opt out of the sharing of Your personal information for cross-context behavioral advertising purposes by contacting Us or using any opt-out mechanism provided on Our websites.

Right to Limit Use of Sensitive Personal Information: We do not use sensitive personal information for purposes beyond those permitted by the CCPA/CPRA without Your consent.

Right to Non-Discrimination: We will not discriminate against You for exercising any of Your privacy rights.

To exercise these rights, please submit a verifiable consumer request to legal@reactstudios.com or through Our Help Center. We will verify Your identity before processing any request and will respond within the timeframes required by applicable law.

8.2 EU/UK/EEA Residents (GDPR/UK GDPR)

If You are located in the European Union, United Kingdom, or European Economic Area, You have the following rights under the General Data Protection Regulation:

Right of Access (Article 15): You may request a copy of the personal data We hold about You.

Right to Rectification (Article 16): You may request correction of inaccurate or incomplete personal data.

Right to Erasure (Article 17): You may request deletion of Your personal data, subject to legal exceptions (including data retained for legal compliance, fraud prevention, ban enforcement, and defense of legal claims).

Right to Restriction of Processing (Article 18): You may request restriction of processing in certain circumstances.

Right to Data Portability (Article 20): You may request that We provide Your personal data in a structured, commonly used, machine-readable format where technically feasible and where processing is based on consent or contract performance. This right does not extend to game progress, virtual items, Digital Purchases, or other proprietary Service data.

Right to Object (Article 21): You may object to processing based on legitimate interests or for direct marketing purposes.

Right to Withdraw Consent: Where processing is based on consent, You may withdraw consent at any time.

Right to Lodge a Complaint: You have the right to lodge a complaint with Your local data protection supervisory authority.

To exercise these rights, contact Our Data Protection contact at legal@reactstudios.com. We will respond within thirty (30) days or as required by applicable law.

8.3 Other Jurisdictions

If You are located in a jurisdiction with applicable data protection or privacy laws (including but not limited to Brazil's LGPD, Canada's PIPEDA, Australia's Privacy Act, or other national or state-level privacy laws), You may have additional rights. Please contact Us at legal@reactstudios.com to exercise any applicable rights.

8.4 Limitations on Rights

All rights described in this Section are subject to applicable legal exceptions and limitations, including but not limited to: data necessary for fraud prevention and chargeback defense, data required for legal compliance or pending litigation, ban persistence data retained for community safety, data necessary to complete a transaction or provide the Service, and data necessary to detect and prevent security incidents.

9. Security

We implement commercially reasonable administrative, technical, and physical security measures designed to protect Your personal information from unauthorized access, use, alteration, disclosure, or destruction. These measures include encryption of data in transit and at rest, access controls, regular security assessments, and employee training.

HOWEVER, NO METHOD OF TRANSMISSION OVER THE INTERNET OR ELECTRONIC STORAGE IS 100% SECURE. WE CANNOT AND DO NOT GUARANTEE THE ABSOLUTE SECURITY OF YOUR INFORMATION. REACT Studios Corp. shall not be liable for any unauthorized access to, use of, or disclosure of Your personal information resulting from factors beyond Our reasonable control, including but not limited to: Your failure to secure Your Account credentials, Your use of unsecured networks or devices, third-party breaches, cyberattacks, or force majeure events.

You are solely responsible for maintaining the confidentiality of Your Account credentials and for all activity that occurs under Your Account.

10. Children's Privacy

The Service is not directed to individuals under the age of thirteen (13), or under the age of sixteen (16) in the European Economic Area. We do not knowingly collect personal information from children under these ages. If We become aware that We have collected personal information from a child under the applicable minimum age without verified parental consent, We will take prompt steps to delete such information from Our systems.

If You are a parent or legal guardian and believe that Your child has provided personal information to Us without Your consent, please contact Us immediately at legal@reactstudios.com. Parents and legal guardians are solely responsible for supervising their children's use of the Service and for ensuring that parental consent requirements are met.

11. Do Not Track Signals

The Service does not currently respond to "Do Not Track" browser signals or similar mechanisms. We may continue to collect and use information as described in this Policy regardless of any Do Not Track settings in Your browser.

12. Third-Party Links and Services

The Service may contain links to, or integrations with, third-party websites, platforms, and services (including but not limited to Roblox, Discord, Steam, YouTube, and social media platforms). This Policy does not apply to any third-party services. We have no control over, and assume no responsibility for, the content, privacy policies, or practices of any third-party services. We encourage You to review the privacy policies of any third-party services before providing personal information or using those services. Your interactions with third-party services are solely between You and the third party.

13. Changes to This Privacy Policy

We reserve the right to update, modify, or replace this Policy at any time in Our sole discretion. Material changes will be communicated via the Service or email at least thirty (30) calendar days prior to taking effect. The "Last Updated" date at the top of this Policy indicates the most recent revision. Your continued use of the Service after the effective date of any changes constitutes Your acceptance of the revised Policy. If You do not agree to the revised Policy, You must discontinue use of the Service and terminate Your Account.

14. Data Controller Information

The data controller responsible for Your personal information under this Policy is:

REACT Studios Corp. 701 Commerce St, 5th Floor Dallas, TX 75202, United States

15. Contact Us

If You have any questions, concerns, or requests regarding this Privacy Policy, Your personal information, or to exercise any of Your privacy rights, please contact Us:
